**SUPPLEMENT TO STATEMENT OF POINTS  
AND AUTHORITIES IN SUPPORT OF MOTION FOR STAY PENDING APPEAL**

In footnote 2 of Congressman Jefferson's Statement of Points and Authorities in support of his motion for stay pending appeal, the Congressman referred to a Consent Motion to Reset the Briefing and Hearing Schedule in which DOJ and the Congressman jointly asked the court to order DOJ to comply with the President's Memorandum pending further order of the court as an agreed substitute for the relief sought by the Congressman in his Emergency Motion for Interim Relief. In the footnote, we stated that it did not appear from the record that the court had either signed the consent order or signed an order denying the motion. But, on May 26, 2006, the court did issue a scheduling order "for reasons stated in the Consent Motion to Reset the Briefing and Hearing Schedule," so the statement in footnote 2 is not accurate, and this supplement is intended to correct the record. On May 26, the court did issue an order granting the scheduling relief sought in the Consent Motion, but the order did not specifically address that portion of the Motion that
